

Football Australia: Post-Game Results Entry

Last Modified on 29/01/2024 3:47 pm AEDT

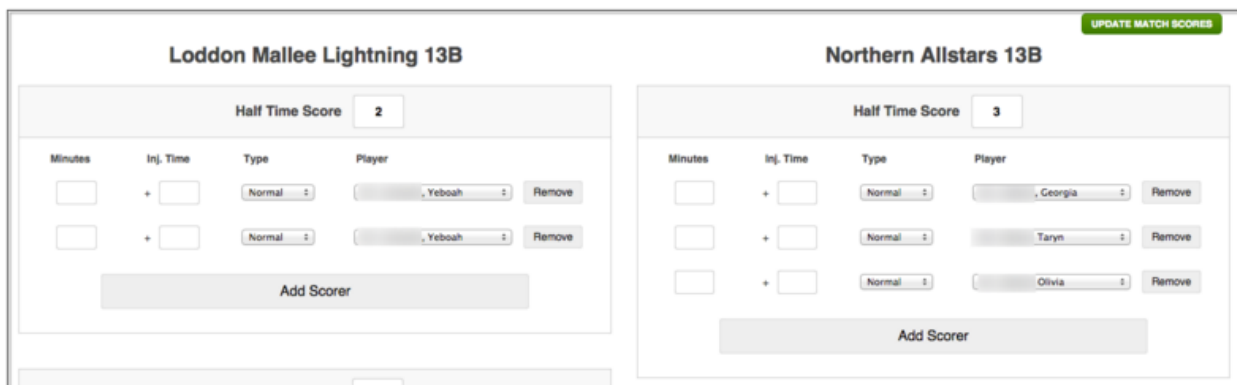

1. Hover over Competitions and click on 'Match Results'.

2. Click on '**Post - Game**' and enter the following details if needed. Add the Half Time Score and Full Time Score. Once done, add scorers if required. If a match goes into Extra Time or Penalties, utilise the "After Extra Time (AET) Score or "Penalty Shoot Out Score" fields and ensure the Team Result (Won/Lost) is reflective of the result.

Click on '**Add Scorer**' to record a scorer for each goal and choose the type of goal (Normal, Penalty or Own Goal). You can also add the time the goal was scored and indicate injury time if required.

Please ensure that the scorers listed match the half time/full time score.

The screenshot displays the match entry form for 'Loddon Mallee Lightning 13B' vs 'Northern Allstars 13B'. The 'Half Time Score' is set to 2, and the 'Full Time Score' is set to 3. The form includes a table for recording goals with columns for 'Minutes', 'Inj. Time', 'Type', and 'Player'. There are 'Add Scorer' buttons for each team. A green 'UPDATE MATCH SCORES' button is visible in the top right corner.
